## BACKACHE A SYMPTOM

Of More Serious Illness Approaching. Mrs. Bender's Case.

Backache is a symptom of organic weakness or derangement. If you have backache do not neglect it. To get permanent relief you must reach the root of the trouble, and not merely a woman, as Mrs. Bender's experience.

St. James, Mo.—"About a year ago I was irregular, had cramps every month, headache and constipation."

I took Lydia E. Pinkham's Vegetable Compound and used the Sensitive Wash and I am relieved of all my troubles and am in perfect health. I shall recommend your medicine to all my friends and you may publish this testimonial for the benefit of other suffering women. Mrs. ANNA BENDER, St. James, Missouri.

Another Case.

Dixon, Iowa.—"I have been taking Lydia E. Pinkham's Vegetable Compound for some time and it has done me much good. My back troubled me very much. It seemed weak. I had much pain and I was not as regular as I should have been. The Compound has cured these troubles and I recommend it to all my friends."—Mrs. BERTHA DIERKEN, Dixon, Iowa.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham, Medicine Co. (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

## AT THE AUDITORIUM.

Vaudeville and Motion Pictures.

A fine bill of vaudeville and motion pictures is appearing at the Auditorium during the first half of the week, and the new offerings met with a most enthusiastic reception at the hands of Monday's audiences. A photograph is a show all by itself in the four reel film, Quincy Adams Sawyer, which is cleverly played and makes a hit. The Great Bartello exhibits a physique which is seldom seen, showing a remarkable development of the muscles of his back, arms and chest. He puts a 175 pound weight over his head with one hand, and with the other hand he picks up and carries off a bag of sand weighing 300 pounds. He offers \$25 to the man who can duplicate this feat, and several local strong men are planning to take up his offer on Wednesday night.

Wesley Morris is a colored comedian whose songs, jokes and funny antics keep the audience laughing throughout his act. Shearer and Dillworth have a comedy skit entitled April First, which includes some never acting and a whole lot of humor.

Solving the Cost of Living.

On Sunday 112 good sized cels were prepared by Henry E. Davis at the drawbridge and on Thursday he prepared 100 pickers and two perch at a Tatville pond. When Mr. Davis wants a few hushies, he goes to the pond, goes to Waterford cove and gets a supply. He claims that with a little work and a few cents he can keep himself supplied with game and fish.

## Free Academy Catalogues.

The Norwich Free Academy catalogues for the present year were distributed at the school on Thursday. The catalogue is a 90 page paper covered book, with 12 illustrations, and is a creditable piece of work for the students' press. It marks the 57th year of the academy.

## CACUS REGISTRATION COMPLETED

Democrats Lead Republicans in New Names Added in the Six Districts—5,067 Liable for Personal Tax This Year—Board of Relief Has Three More Days to Sit at Town Hall

The two registrars of voters, Tyler D. Gray and Cornelius J. Downes, have concluded their annual task of canvassing the 1913 personal tax, being added to the 1912 list, and have also made the complete revision of the list, which is done every two years. This is now in the hands of the printers and will be issued shortly.

In all the districts the registrars and their assistants had two sittings to receive names for caucus registration. Of these 48 new names were added and 31 were republicans. On the complete canvass there now are from 2,400 to 3,500 names, which represents about 80 per cent of the vote. The new registration in the districts this year is shown as follows:

District.	Republican.	Democrat.
1	14	30
2	3	5
3	2	2
4	3	1
5	1	1
6	1	1
Totals	31	43

The list of those in the town liable for the personal tax, which is due and payable March 1st. According to this showing, they made a total enrollment of 5,987, from which is deducted 920 men who are exempted from the tax on account of the personal tax. In comparison with last year there is a large reduction, since the first time they were found to be 184 total enrolled, 1,357 total exempt, 3,527 total liable for tax. But the tax contained a large number of errors.

The exemptions this year are shown as follows:
